## **APPLIANCE RECYCLING**

**2025 Energy Efficiency Incentive Form** 

This institution is an equal opportunity provider.

## **ELIGIBILITY CRITERIA**

- New appliance must be on cooperative's lines. Recycled appliance must have been removed from service on cooperative's lines.
- \* New and recycled appliances must be electric.
- \* Incentive not to exceed the appliance cost. Appliance recycling qualifies for the entire incentive, regardless of the recycling cost.
- \* Incentives are in place through December 31, 2025. Funds are limited so submit required documentation as soon as possible.
- \* Required documentation must be submitted within 3 months of purchase or recycle date.
- \* Additional eligibility criteria may apply. Program is subject to change or cancellation without notice. Contact cooperative for details.
- Required documentation listed below must be submitted no later than 3 months after purchase or recycle date.
  - This incentive form
  - A copy of your receipt or invoice for each item with purchase price(s) circled
  - ENERGY STAR label for each item, if applicable
  - For recycled appliances, include documentation showing appliance was in working order prior to recycling
