

Your Touchstone Energy® Cooperative 

Line Worker Scholarship

The purpose of the Vernon Electric Cooperative Line Worker Scholarship is to provide assistance and encourage men and women in the local area to pursue an electrical line worker career. Line workers make up a large percentage of Vernon Electric's workforce and are an important asset to the cooperative and community. Their primary duty is to construct, maintain, and repair power lines, which is a lifeline to the community and a connection to the local economy.

One \$1,000 scholarship will be awarded annually via a random drawing. Anyone who is a high school senior or older and a member of Vernon Electric Cooperative may apply. This is a one-time per member award. Scholarship funds are made available from unclaimed capital credits of the Cooperative.

Qualifications for the scholarship are:

- Applicant must be an active member of Vernon Electric Cooperative. If the applicant is a high school senior, their parent or legal guardian must be an active member of the Cooperative.
- The application must be completed and received by the Vernon Electric Cooperative headquarters office by 4:00 p.m. on Wednesday, January 22, 2025.
- The recipient must be enrolled full time in a power line program.

A committee will review all applications received. The money will be dispersed after Vernon Electric is in receipt of the first semester transcripts.

Return application to:

Vernon Electric Cooperative
Attn: Trevor Clark
110 Saugstad Rd
Westby, WI 54667

tclark@vernonelectric.org

Applications must be received at the office by 4:00 p.m. by January 22, 2025.
